

Project 31: Rock Creek Curling

Meeting 4 Minutes

Date: Sunday September 20th, 11:00-12:00 pm

Attendees: Brooke Nelson, Brooke Seifert, Katie Miller, George Bauer, Christian Mesa, Jaron Barret

Missing: N/A

Upcoming meetings: Tuesday September 27, 4:00-5:00

Key Discussion Points:

- Acme Project Chart template being used
- Planning to establish github hierarchies
- Set up github projects board for agile management
- Timelines:
 - Depending on what features we are adding, adjust timeline with sprints
 - Start by sitting down and looking at timeline in more detail
 - Bring in Andy for fine details for MVP
- Cost:
 - Potentially installing more cameras
 - CV software might have particular costs
- Tuesday plan:
 - Establish roles
 - Come to meeting with detailed ideas for the outline of the timeline

Major decisions:

- Project Charter formatting
- Separating charter sections to work on individually:
 - Brooke Nelson: Project approach
 - Katie Miller: Project approach
 - Christian Mesa: Project Plan
 - George Bauer: Introduction
 - Jaron Barret: Project Plan
 - Brooke Seifert: Objectives and scope
- Meeting 4:00 on Tuesday, Brooke book room ECOT 832 bring in Andy 4:30

Upcoming actions:

- Each of us looking at our own version of a detailed timeline and bringing this to our meeting on Tuesday
