

Project 31: Rock Creek Curling

Meeting 7 Minutes

Date: Sunday September 27th, 12:00-12:30 pm

Attendees: Brooke Nelson, Brooke Seifert, Katie Miller, George Bauer, Christian Mesa

Missing: Jaron Barret

- (ambiguous communication from the team)

Upcoming meetings: Tuesday September 29, 3:30-4:30

Key Discussion Points:

- Check the Project Charter
 - Want to turn this in by Tuesday
- AI Usage
 - AI is good to use, make sure to verify all code that might be generated
 - Important to know how to use it as a tool and not as a crutch
- TA role understanding
 - Our thoughts were that they were there for high level check ins/making sure that we are moving along in the project on the whole not management of sprints
 - Approach Paradise before class with open mind to check in

Major decisions:

- Jaron finish up his section before Tuesday meeting
- George will not be in lecture on Monday
- Christian will not be in the TA meeting on Thursday
- Possibly Brooke Nelson might miss TA meeting on Thursday

Upcoming actions:

- Turn in the Project Charter on Tuesday
